ADDITIONAL SUPPORT

What's included beyond the platform

Support and tools that come standard with your subscription — no extra cost, no add-on tiers.

1. **Dedicated Phone Support**
   Reach the Izaya team directly by phone during business hours — not just email or a ticket queue. Included standard, with no tiered add-on.

2. **Guided Onboarding Session**
   A 30-45 minute walkthrough with your admin team when you go live, so everyone is comfortable with the platform from day one.

3. **Self-Service Reporting**
   Pull your own reports on demand through Master Reports — filtered by date range, patient, practitioner, or log status — whenever you need them.

STANDARD INCLUSIONS

What's included in your monthly service

Every practitioner and staff seat includes full platform access — no separate module fees.

Session logs auto-fill the official state forms, signature captured at point of care.

Practitioner & Admin Portals

Two right-sized experiences on one shared record.

Internal Staff Messaging

Practitioner-to-office coordination stays in the platform, not scattered across texts.

Phone Support

Direct line to the Izaya team during business hours — included at no extra cost.

TERMS

Billing terms

Please review these terms before signing below.

- **Active practitioner definition:** a practitioner shall be deemed active for a given calendar month upon submission of one (1) or more session logs during that month, and shall be billed in full for that month accordingly. No proration shall apply based on the date or number of logs submitted.
- **First-month proration:** if the Effective Date falls after the first (1st) day of a calendar month, the first invoice shall be prorated on a daily basis for the practitioner and office-staff-seat charges covering the partial period from the Effective Date through the end of that calendar month. Full, non-prorated monthly billing begins the following calendar month. This proration applies only to the partial first billing cycle and does not affect the active-practitioner definition above.
- **Removing a seat:** takes effect the following billing cycle; it does not refund the current one.
- **Rate lock guarantee:** the $15 practitioner rate and the 5 free office staff seats are guaranteed for 3 years from the date of signing, regardless of any change to standard list pricing during that period. See Term & Renewal in the General Terms & Conditions for what applies after year 3.
- **Payment:** monthly, via card or ACH, processed through Stripe.
- **Invoicing:** invoices are generated on the first (1st) day of each month and are due no later than the fifteenth (15th) day of that month. A late fee of five percent (5%) of the outstanding balance will be applied on the sixteenth (16th) day and will compound — reapplying at five percent (5%) of the then-outstanding balance (including previously assessed late fees) — on the first day of each subsequent calendar month that the balance remains unpaid.

TERMS

General terms & conditions

These terms govern the subscription relationship alongside the billing terms on the previous page.

- **Governing agreement:** this Proposal, once signed, together with Izaya's Terms of Service (available at izayaedge.com/eis/terms and incorporated by reference), constitutes the entire agreement governing Progressive Steps NJ's use of the Izaya EIS platform (the "Agreement"). Where this Proposal and the Terms of Service conflict on pricing or the terms below, this Proposal controls.
- **HIPAA & Business Associate Agreement:** because the platform creates, receives, maintains, and transmits Protected Health Information (PHI) on Progressive Steps NJ's behalf, a Business Associate Agreement (BAA) is executed electronically as part of company registration and onboarding, before any PHI is entered into the platform. The BAA governs all PHI handling, breach notification, and subcontractor flow-down obligations, and controls over this Proposal on any conflicting PHI-related term.
- **Term & renewal:** the Agreement begins on the Effective Date and continues month-to-month; either party may terminate for convenience as set out below. The $15/$5 rate lock is a pricing guarantee, not a minimum commitment period — Progressive Steps NJ is not obligated to remain subscribed for the full 3 years. Unless the parties agree in writing to a new rate before the 3-year rate-lock period ends, the subscription automatically continues on a month-to-month basis at Izaya's then-current standard list price for practitioner and office-staff seats, with at least thirty (30) days' advance notice of that change.
- **Termination:** either party may terminate this Agreement for convenience with thirty (30) days' written notice. Izaya may suspend or terminate service immediately for non-payment more than fifteen (15) days past due, or for a material breach not cured within fifteen (15) days of written notice. On termination, Progressive Steps NJ may export its data (session logs, forms, invoices, and reports) for sixty (60) days following the termination date, after which Izaya will delete the tenant's data in accordance with its data retention policy and any obligations under the BAA. Fees for services rendered through the termination date remain due.
- **Limitation of liability:** except for either party's indemnification obligations, breach of confidentiality, or a party's gross negligence or willful misconduct, neither party's aggregate liability arising out of the Agreement shall exceed the fees paid by Progressive Steps NJ in the twelve (12) months preceding the claim, and neither party is liable for indirect, incidental, or consequential damages. The platform is provided on an "as-is" basis; Izaya disclaims all implied warranties, including merchantability and fitness for a particular purpose, to the extent permitted by law.

TERMS

General terms & conditions (continued)

- **Compliance responsibility:** the platform's automated form auto-fill and compliance-matching features assist with, but do not replace, Progressive Steps NJ's own responsibility for the accuracy of its clinical and billing records and for its compliance with NJEIS and other applicable state and federal requirements. Progressive Steps NJ remains responsible for reviewing flagged records before submission.
- **Indemnification:** each party will indemnify and hold the other harmless from third-party claims arising from (a) that party's breach of the Agreement, or (b) that party's gross negligence or willful misconduct, in each case to the extent of the resulting damages, costs, and reasonable attorneys' fees.
- **Service availability:** Izaya targets high availability but does not offer a formal uptime Service Level Agreement under this Proposal. Planned maintenance will be scheduled outside business hours where practicable and communicated in advance where feasible.
- **Subprocessors:** Izaya uses third-party subprocessors (including cloud hosting, payment processing, and transactional email providers) to deliver the service. A current subprocessor list is available on request. Any subprocessor that may access PHI is bound by its own HIPAA-compliant agreement with Izaya, consistent with the BAA.
- **Governing law:** this Agreement is governed by the laws of the State of New Jersey, without regard to conflict-of-law principles, and the parties consent to the exclusive jurisdiction of the state and federal courts located in New Jersey. *(Assumption — confirm against Izaya Consulting LLC's actual state of formation before signing.)*
- **General:** neither party is liable for delay or failure to perform caused by events beyond its reasonable control (force majeure). Neither party may assign this Agreement without the other's written consent, except to a successor in a merger, acquisition, or sale of substantially all assets. This Proposal, the Terms of Service, and the BAA constitute the entire agreement between the parties and supersede any prior discussions on this subject; amendments must be in writing and signed by both parties. If any provision is held unenforceable, the remaining provisions remain in full effect. Notices under this Agreement shall be sent to the addresses on the signature page (or, for Izaya, support@izayaedge.com) and are effective upon confirmed delivery.
